

JOB DESCRIPTION:

Production Worker - Painter

OVERVIEW:

Cascadia Windows & Doors is an innovative, industry leader, creating beautifully designed architectural fiberglass windows, doors, and cladding support systems. Included in some of the most exciting and award-winning construction projects across North America, Cascadia's goal is to help revolutionize the energy-efficiency of modern buildings and drive the adoption of high-performance building products.

Based in our factory in Gloucester Estates, Langley, the **Painter** is an integral part of our Operations Team, responsible for glass installation in Cascadia's award-winning windows and doors. Experience in **hand spray-painting is a must** and operation of automated paint equipment is an asset. Training on our systems and procedures will be provided.

NOTE: Gloucester Estates area has limited transit service.

QUALIFICATIONS & SKILLS:

- Experience working in a manufacturing organization, with preference given to window production
- Experience working with painting tools & equipment
- Interested in a fast-paced and rapidly changing environment
- Passionate problem solver, inquirer, and learner
- Must be capable of very heavy lifting and willing to work hard and learn quickly
- Must have reliable transportation, as transit service is not available to Gloucester Estates area
- Safety footwear is required. Annual company paid safety footwear after 3 months —all other tools and training provided
- A strong team player, who is ultimately focused on delivering results with high standards

WHAT WE OFFER:

- Full-time, permanent role
- An opportunity to join a well-established but growing company that is focused on helping the construction industry achieve higher performing buildings
- Continuous training and opportunities to learn with a knowledge-based company that is at the forefront of the green building movement
- 100% company paid extended benefits package after 6 months
- RRSP program after 2 years
- Salary \$20.00 – \$24.00 / hour, depending on industry experience

To apply, please send a resume to Brian Johnson, Operations Manager:
