

**JOB DESCRIPTION:**

## Window Installer

**OVERVIEW:**

Cascadia Windows & Doors is an innovative, industry leading manufacturer, creating beautifully designed fiberglass windows, doors and cladding support systems. Included in some of the most exciting and award-winning construction projects across North America, Cascadia's goal is to help revolutionize the energy-efficiency of modern buildings and drive the adoption of high-performance building products.

The **Window Installer** is responsible for installing Cascadia's high-performance windows and doors throughout the Greater Vancouver Area.

**GENERAL LIST OF RESPONSIBILITIES:**

- Determine layout and installation procedures
- Measure and mark guidelines for installation
- Installation of high-performance windows and doors
- Meticulous foaming and caulking
- Envelope detailing, in keeping with modern best practices
- General labour, as required

**QUALIFICATIONS:**

- Construction experience and knowledge of installation practices for windows & doors
- 1-3 years window and door installation experience
- Experience caulking, sheathing & detailing building envelopes
- Able to read blueprints and work order specifications
- Comfortable working with heights and scaffolding
- honest, reliable, professional, a problem solver
- Positive attitude and the ability to take direction
- Self-motivated and pride of workmanship
- Open to a background check

**WHAT WE OFFER:**

- An opportunity to make your mark in a well-established but growing company that is focussed on helping the construction industry achieve higher performing buildings
- Competitive salary and benefits program
- Continuous training and opportunities to learn with a knowledge-based company that is at the forefront of the green building movement

The role is based in the head office in Langley, BC working Monday-Friday full-time.
